2.1.6 No endorsement: Nothing in this License constitutes or may be construed as permission to assert or imply that Dataset Recipient(s) are, or that Dataset Recipient(s)'s use of the Licensed Material is, connected with, or sponsored, endorsed, or granted official status by, the Dataset Provider(s) or others designated to receive attribution.

2.2 Other Rights

2.2.1 Moral rights, such as the right of integrity, are not licensed under this License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Dataset Provider(s) waives and/or agrees not to assert any such rights to the limited extent necessary to allow Dataset Recipient(s) to exercise the Licensed Rights.

5.2 Where Dataset Recipient(s)'s right to use the Licensed Material has terminated under Section 5.1, it reinstates: (a) automatically as of the date the violation is cured, provided it is cured within 30 days of Dataset Recipient(s)'s discovery of the violation; or (b) upon express reinstatement by the Dataset Provider(s).

5.3 For the avoidance of doubt, the Dataset Provider(s) may also offer the Licensed Material under separate terms or conditions or stop distributing the Licensed Material at any time; however, doing so will not terminate this License.

5.4 In the case of Data Recipients indicated under Section 1(d)(i), this License and the rights granted hereunder will terminate automatically if any Developing country in which the Licensed Material is used, exported or distributed ceases to qualify as a Developing country, in which case this License will automatically terminate with respect to such country five (5) years after the date of such reclassification.
